Notice of Meeting - CVIAQ Manufacturers' Council

Wednesday 8th July 2009

CVIAQ Office - 82 Westcombe St, Darra

9:30am – 11:45am

Business:

1. Movement of Unregistered New Vehicles

Update on progress

2. National Heavy Vehicle Braking Strategy

The Federal Transport Department has released a paper calling for input on their interpretation and proposed implementation of the NTC Heavy Vehicle Braking Strategy. The resultant outcomes from this consultation will be incorporated into the ADR's and will affect new vehicle design.

This proposal covers the adoption of a broad range of new technology such as ABS, EBS, ESC, proportional braking on trailers, adoption of UN/ECE standards and electrical connections.

Any member manufacturing vehicles and or braking components will be affected by the outcome of this proposal.

The outcomes of this meeting will be consolidated into the CVIAA response to the Department to be sent by the end July 2009.

See <http://www.cviaq.com.au/Downloads/NHVBS.doc> for further information.

3. Report on the Technical Liaison Group Meeting 17th June Melbourne

Members will receive a full report from the meeting which covers changes and additions to vehicle standards and information on ADR changes and timing.

Please advise your attendance by phoning CVIAQ on (07) 3376 6266, fax (07) 3376 7166 or email j.samson@cviaq.asn.au

Limited CVIAQ "Visitor" parking is available in the complex. Additional parking is available on Westcombe St adjacent the playing fields, opposite the CVIAQ office complex.

Morning tea will be provided.

John Samson

Technical & Regulatory Officer
